

The Global Studies Association 2021 Colloquium

In memory of Dr Paul Kennedy

You are **invited** to join the GSA for a series of online events over the course of 2021, bringing together key figures in Global Studies.

Replacing our Annual GSA Conference, this **Colloquium** allows us to make and regularly re-join conversations on the global issues of our day and how they impact our understanding of the Global System.

The series is dedicated to our friend, colleague and founding GSA member **Dr Paul Kennedy**.
